EXPEDITION EXPERIENCE

Expedition cruising is a unique experience and even more so when you cruise with *Orion*. We combine the presentation skills of recognised experts in all the disciplines of history, plant, marine and wildlife with the very real experience of being there. Many of our destinations are virtually inaccessible for cultural, environmental or logistical reasons. Your safety is paramount and our crew performs to the highest standards set by international maritime law. Our quest is to reveal authentic experiences in unique destinations. When we speak of "a path less travelled" these are the reasons why.

Each day of this expedition will reveal yet another aspect of the wonderful custom of Papua New Guinea and the breathtaking scenery unique to this remote land. Whether it is the mysterious art of the Sepik, the fearsome Mudmen of Asaro and their mud 'helmets' or the feathered headdresses of a Tufi tribesman, this land never fails to astonish. From volcanic tropical fjords and the flooded crater that is Rabaul's Simpson Harbour to pristine white sand beaches, the beauty of PNG is wonderfully varied.
